The World of Work

"Accompanying the April All-Age Worship adult teaching series on the subject of Work are books which may be borrowed:

"Thank God it's Monday" (S.U) by Mark Greene. This has become a bit of a classic on the subject.

Mark Greene is Director of The London Institute for Contemporary Christianity which has useful articles on its website www.licc.org.uk

"Love Work, Live Life" (Care for the Family) by David Oliver who has regularly given talks on the subject.

These books are on the shelf in the Main Hall and, please, if you borrow one, return it after your use so that someone else may borrow it. Thank you."
